

**Ben Rupp**

Hello! My name is Ben Rupp and my family and I have been members of the Landisville pool for the past three years. My wife, Karla, is a middle school art teacher in Mechanicsburg School District and I am a Major Gift Officer at Millersville University. We have two boys, CJ (9) and Calvin (3).

Our family is always at the pool! We love the safe, family atmosphere and knowing that we will see so many familiar faces. The boys love every second we spend there, whether it's CJ doing flips off the diving board, Calvin showing off his cannon ball, or all four of us enjoying burger night. We also appreciate all the hard work from the current staff and board members that goes into running the pool, keeping the property maintained and organizing the fun events.

Joining the pool board is a great way for me to give back to something that has provided my family with so many wonderful memories over the past three years. I am ready and willing to work with current board members to improve existing programs and initiatives and develop new and exciting ideas that will continue to make the Landisville pool a place all our families will enjoy for years to come. I hope to earn your vote!

### **Brian Gleason**

Brian is a Partner and Vice President of Marketing of Previnex, a health and wellness company that makes premium, clinically effective and differentiated nutritional supplements and health and wellness programs. In this role, Brian is responsible for all aspects of marketing, including brand management, communication, social media, advertising, and corporate sponsorships.

Prior to joining Previnex in 2013, Brian was the Director of Public Relations and Social Media Marketing at Medifast, Inc., for six years, overseeing marketing for their direct response division, as well as public relations and social media marketing across the weight loss company's four distribution channels. Brian began his career spending four years as the media relations coordinator for the Boston Celtics.

Brian is a graduate of Hempfield High School and Shippensburg University, where he was a scholarship athlete on the basketball team. After spending 15 years in various states, Brian returned to Lancaster in 2017 with his wife, Amanda, a Lancaster native, and their three children Naomi (11), Drue (9) and Brie (7).

**LeAnn Witmer**

Hello, my name is LeAnn Witmer. My husband, Randy, and I are Lancaster County natives and made our home in Landisville in 2002. We have two children. Our daughter, Elliotte, is a 5th grader at Landisville Intermediate Center. Our son, Jack, will begin preschool in the fall.

We joined the Landisville pool three years ago and our daughter has enjoyed being a part of the Landisville Dolphin swim team for the last two years. We have enjoyed the sense of community at both the pool during leisure hours and at the swim meets. We enjoy burger nights, Christmas in July and raft nights, to name a few fun events at the pool.

I hope to become a member of the pool board because it would be great give back to the pool that had given us so much joy over the last 3 years. I have some ideas that I feel could add value to our pool. With your vote, I look forward to giving back. Thank you for your consideration and I hope you have a great day!

## Lynn Rohal

My name is Lynn Rohal. My husband, Patrick, and I have two girls and a boy ages 12, 10, and 8. We also have a 6-month-old Cavapoo puppy, Max, that we've all come to adore. We have been members at Landisville Pool for three years and have been involved with the Landisville Dolphins swim team for the past two years. There are so many things we love about this pool and the community that frequents it. Being involved in swim team further connected us with members here that we didn't know before. We love seeing our friends and neighbors throughout the summer. Through the years we have participated in burger night, raft night, movie night, 4<sup>th</sup> of July celebrations, and sundaes Monday. There are so many great things happening here. I would love to be part of helping the pool continue to flourish and improve.

I greatly enjoy roles involving organization, details, and strategic planning. My husband is a family practice doctor and owns CovenantMD, a Direct Primary Care (DPC) practice here in Hempfield. I help with some accounting and clerical work for the business, mostly from home. I also work prn (as needed) as an Occupational Therapist at several area nursing homes (think substitute teaching but for therapy). We are active in our local church, Westminster Presbyterian, and I have served on several committees and volunteer roles there including the Leadership and Vision Committee, teaching 4-6 grade girls on Wednesday nights, teaching adult women's Bible study, and the flute choir. I also serve part-time as a wedding coordinator with Westminster. I've enjoyed volunteering in the local schools as a PEP mom for my children's classrooms and helping as other needs arise. I was the coordinator for 5 years for the local Moms in Prayer group, praying for the teachers, staff, and students of LPC and LIC.

I would love to hear your ideas for how to improve what is offered with membership at Landisville Pool and to use the experience, gifts, and talents I have to support the rest of the board as we try to make this a place that is a highlight of our summer. Thank you for your vote.

**Nicole Lister**

Hello my name is Nicole Lister and I would like to give you a background on myself and why I am a good choice for the Landisville Pool board. I am a mother of two little kids who love coming to the pool every year. I have been thinking of joining the board for about three years now and I think I am ready to take the leap. I am hard working and I feel I would be great at organizing events or helping on the social media aspect of things. I also have a couple snack bar ideas. I would really like to be a part of things that I love. Our family loves the pool!! I deal with Epilepsy and also have had a liver transplant so I'm very good with challenges in life. I am a stay at home mother so I have a good amount of time to devote to doing things for the pool. Landisville pool is my home away from home, and I would really enjoy putting my all into it. I hope that you consider me a good fit for the board and I am thankful for the opportunity to be a part of it.
